THE POPE TO REMAIN IN ROME

That the Pope core not intend to leave Rome during or after the war is the opin-ion expressed by the Vation in decrying the r part, which may real in the Spanish n were presented in the Lody See may be

n withers, thus he begins a section of transferred to Spain.
The truth is that at the beginning of the war Spain of real he pitality to the Pape should be deads to leave Rome, but his Hollines, although appreciating the kind offer, declined to accept it.
