PERSONAL AND SOCIAL

The Sultan spent the day on the Boustan Palace.

The Hon. R.C. Lindsay, Under Secretary of State for Finance is leaving Caircon the 15th instant on leave. Mr. Lindsay is expected to visit England first and then the United States.

Dr. E.S. Crispin, Director, Sudan Medical Department, arrives in Cairo on Friday from Khartoum.

The Israelite Benevolent Society of Alexandria will meet at the Jewish Lec-lure Hall. Nebi Daniel Street, on Sunday March 23 to hear the report of the act-vities of the year. The total amount of donations was P.T.304,010 and 37.185 oke

A long ode by Mr. C.P. Sakhellarios has been published in the "Tachydromos" in which the poet praises the policy of Dr. Wilson and urges aggrandised Greece to show her gratitude to him by awakening the ancient arts and civilisation and thue canale the President to infuse makind with the Old Hellenia spirit. The poem has been much praised.

It is probable that the exhibition of ictures and photographs, which was an nural institution before the war, will be sumed by the Alexandria Municipalit, its summer, as many people have asked or it to be revived and the Municipal belgation it its meeting on Tues a set was very favourable to the proposal

DEMONSTRATIONS AT TANTA.

DEMONSTRATIONS AT TANTA.

On Tuesday the Tanta Secondary
School students also mure a demonstration. They proceeded to the Railway
Station where they prevented the train
which goes from Tanta to Ashmoun from
starting by getting on the lines. This
thing was done with the train which retrives at Tanta from Shebin El Kom at
1 pm. Testeday morning the students
of the Ahmudy Theological Institution
to the Station of the Secondary Schools, and
went to the station but were prevented
from entering it by the police. The
demonstrators then went round the
building. Ng. cases were tried yesterday
by the Courts.

CAIRO'S RECENT RAINFALL.

LECTURE AT THE INSTITUTE OF EGYPT.

In connection with the heavy rains which relal at Cairo on January 17 last, the details of the disastrons effects of which relat at Cairo on January 17 last, the details of the disastrons effects of the control of the Government Geological Department, read a very interesting paper before the last meeting of the Institute of Egypt on the subject of Rainfall in Cairo and the Cairo which receives the heavy rains ing hills and which comprises the deserting a paper of Cairo which receives the heavy rains ing hills and which comprises the deserting an area of about 162 square kiloping heavy of the control of the control

reater.

M. Fourteau also showed that in 1895 heavy rainfall took place, the water of M. Fourteau also showed that in '1895 a heavy rainfall took place, the water of which streamed down in the direction of Zeitoun'and Koubbeh Palace causing similar disasters to those which took place this year at Manchiet el-Safr. The changes in the surface of the neighbouring ground necessitated by military campe during the last four or five years of war, however, have been the cause for the change of die

are been the cause us the commen-ection. The speaker described the effects of the aninfall on the Mokattam rocky steeps and on the beds of the water courses, and gave thistory of the days of heavy rainfall in Jairo and its suburbs taken from me ogical observation to protection against our control of the protection of the course to the course of the protection against heavy rains which e adopted in Egypt.

COST OF HONOURS.

COST OF HONDURS.

A Civil Service estimate asks for a revised sum of \$25,850 for "theorems and dignitize schemes." The cost of providing Insignia for additional knights, etc., of the Orders of the Bath, and St. Michael and St. George and for the Companions of Honour is given as \$4,010. The estimate for awards for designs for the memorial plane to be presented to the memorial plane to be presented to specify the companion of Honouries given in the war specific plane. The presented have been supported by the control of the companion of the compan

An Army Council instruction states that officers of the Regular Army, the Special Reserve, and the Territorial Force are to be informed that no steps should be taken to provide or to renew any articles of uni-form other than service dress until after further instructions are issued.
