THE LACK OF COMMUNICATIONS.

THE LACK OF COMMUNICATIONS.

Franchmen in Egypt are inconvenienced eving no the lack of shipping facilities between their own country and Egypt, the communications between Alexandria and Mascelles being interrupted eving on the lack of their properties. The communication between Alexandria and Mascelles being interrupted eving on the communications when the recommendations when the recommendation of that Company's fleet, and the communications when the recommendation of the communication was designed as the communication was designed as the communication was designed to the communication was drawn up to begin at the end of June the strike at Marcellide of the communication was drawn up to begin at the end of June the strike at Marcellide begoes of finding some way out of the difficulty.

THE GREEK COMMUNITIES.

A CAIRO MEETING.

A CAIRO MEETING.

A general assembly was held at Cairo on Sunday last in order to elect five members of the committee to take the places of the committee to take the places of the committee to take the places of the committee to take the place of the committee to the community have remarked that this was irregular conduct as does not be committeed to the community have remarked that this was irregular conduct as does not be committeed to the committee that it consequence of these remarked hat in consequence of these remarked hat in consequence of these restricted to the original five members. Mr. Sachtouris Consul General, said that the above were well founded considerations but he emphasiced that they dealt with the community needed serious systematic work and not all him doservance to regulations and forms. The assembly approved this argument and declet II members and the choice have given untriasetion.

CAIRO VITAL STATISTICS.

The following are the fewers of hirths and deaths registered and case of infections disease southed in Cairo during the week ending May 27.

Births 504 cashs 908.

Infections diseases: 481 cases, typhoid of cases; typhosy 207 cases; diphtheria 9 cases; small-pox 92 cases; chicken-pox 3 cases; relaping fever 4 cases; meades 98 cases; whooping cough 2 cases.

THE PRICE OF SUGAR.

It may be remembered that sugar-cane cultivators of the Kena Province, came to Cairo and submitted petitions to the au-thorities asking for an increase on the our columns at the time. The recent dis-turbances prevented them from continu-ing these efforts and they now submitted that the contract of the contract of the theory of the contract of the contract of the wave promised to consider the matter.

ATTEMPTED FORGERY AND SUICIDE.

An inhabitant of the Gamalia Quarter. Cairo, named Minahem William, commer-cial clerk, attempted suicide because he was discovered forging a L.E.30,000 cheque on the National Bank.

A red-figured Greek vase of 480 B.C. a Sotheby's fetched £850.
