No. 10, Sherif Pasha Street, Alexandria. SYRIA'S FUTURE

ANTI-ZIONISM IN AMERICA.

A Society has been recently formed at New York under the name of the Pales Kattha to Chairman, Mr. Andrea Man-sour as Viec-Chairman, Mr. Jacob Handai as Pressurer and Dr. F.J. Shatar as Ocr-responding Secretary. It has sent appeals expet a special representative who sailed from New York on January 10 to put before them its resquesta.

They derive that the whole of Syria be preserved intact and that Palestine be not detached therefrom economically or politically and that it may be placed under the temporary tribings of one of the temporary tribings of one of the temporary tribings of the supervision of the problems and solve their difficult its, develop their own hand and expand their industrial activities without being traher embarrased by problems and side their control of the supervision of the problems and solve their difficult in adure. They further desire that the localists' apprixations so far as Palestine is concerned, be so limited as to coincide with the principle of the "open door" the development of the land with the their citizens in accordance with the Laws and regulations which shall be hereafter the supervision of t

CRIME IN THE BEHERA.

IMPROVED STATE OF PUBLIC

(From our own Correspon

(Fines our own Corresponding). Two years ago Bebern Province was considered a holbed of crime of all sorts and as the home of many savage roblers and as the home of many savage roblers of the control o was the state of public security. The number of crimes in any month was not less that 40 or 50 and sometimes amounted to 90, i.e. 3 crimes were committed daily, and I. myself, as the correspond-ent of the "Egyptian Gazette" asked for severe measures to be enforced in Behera

At the NILE COLD STORAGE Co, you can get. SMOKED HADDOCKS, for Breakfast. FRESH (FROZEN) FISH, for Dinner.

The Smoked Haddocks are prepared by an expert Fish Curer from Sootland. They require only light cooking, and should be served with a little butter; with Tomatoes or Poached eggs they

are delicious.

The Freak Fialt (which are of selected large size) are preserved by a new scientific process, by which the delicate natural flavour of the fish is retained. It should be cooked in any customary manner.
