64 BOWLING ANALYSIS,

The United States Red Cross is arranging for the War Industries Hoard to de-all its buying of supplies. Herefofore the Society has been buying in the open market. On a single order, under the new arrangement, a saving of \$18,000 was made by the application of the Government rates.

A bill has been introduced in the Bengal Legislature having for its object the crestion of a system of rural self-govern-ment, based on 'village authorities, who would be vested with powers necessary for the management of communal village af-fairs, and entrusted with powers of tax-ation for that purpose.
