ROLL OF HONOUR.

CORRECTION

Owing to an error an unfortunate mistake occurred in the sub-heading of the casually list dated London New Parameter band on New Parameter of the list where the mis-stake occurred. All names between Abbotis and Young (in the original insertion) should have some under the heading "Wounded.")

Groug in the existent insertion) should have measured the heating "Wombade". A month, New J. Kined.

ALEXANDRIA MUNICIPALITY'S INACTION.

GREEK NEW PAPER'S SUGGESTION

Some criticism has been evoked because the Alexandria Municipality has done nething officially to evolution that has been expressed that in view or the enormous francial henefit that the city has resped from the war, the presence of numbers of troops from Hestima and above all, is a slight mark of gratitude for the protection of the contract of the armsitic make a effort to celebrate this occasion. Furthermore, sistem would it not always of the same pat-tern as that of other people.

United States coal production during the past six months has beaten all previous records (says a Washington telegran). The bituminous tonnage was 311,216,000, an increase of 12 per cent. over the pre-vious highest figures reached last year. Anthractic production was 6,151,000 tons, an increase of 29 per cent.
