#### PURIFICATION OF ALEXANDRIA.

HOPKINSON PASHA'S LETTER

HOPKINSON PASHA'S LETTER.

In reference to the recent measures taken by the authorities in Alexandria for the purification of Boulevard Ramiels and the neighbouring small street, the statement made by many people that a number of the demi-mondaines who had to leave that street, have simply moved to Teerfield the street, have simply moved to Teerfield the Morality Police Office that it is absolutely forbidden for such women to open "pensions" or even to live in the Teerfield Street. If any of them did so the case would be dealt with deficially. Of course, it is much easier to guard home services to the street of the street of

sin purified.

Sir,—I was surprised at the tone of the letter, which Hopkinson Pasha addressed to you resterday on the subject of my flatering observations by suppressing the White Slave Traffic, since he manifestly lineds his letter to be of the statement that the efforts new being made towards the purification companyin in Alexandria, which was the purification of the control of the control

intely justimes, important to take a proper and invery month a matter, such a matter, to bear that the Director General of the Manicipality thinks that the campaign of purification is "somewhat Utopian," as such is the opinion of everybody who is not a fanatic, and it is a pleasure to observe that he in such a straightforward manner on this ridding to the property of the property

At the NILE COLD STORAGE Co , you can get. SMOKED HADDOCKS, for Breakfast. FRESH (FROZEN) FISH, for Dinner.

The Smoked Haddocks are prepared by an expert Fish Curer from Scotland. They require only light cocking, and should be served with a little butter; with Tomatose or Posoched eggs they are delicious. The Frash Fish (which are of selected large size) are preserved by a new scientific process, by which the deitoate natural flavour of the fish is retained it is should be cocked in any customary manner.
