WANT IN INDIA.

GREAT RISE IN PRICES.

GREAT RISE IN PRIOES.

The crep failure in India is perhaps the most extensive on record. Even the famine prices of the 1900 famine year most extensive on record. Even the famine prices of the 1900 famine year controller.

Wheat in the famine year cost 3s. 4d. amand; it present price is 5s. 6d. Millet, the staple food in this part of Ind. amand; the property of 10s., and is therefore quite beyond the purse of an onlinary man. Hice in this part of India, which then stood at 2s. 8d. (remember, these did to 10s., while milk is four times its normal price, and so on.

These incredibly high prices, matched, and other necessaries, and by the control of the purse of the property of the property of the cattle, have followed on the top of outbreaks of invasculations of the population in a couple of months; and while in many ways there has been an enomous improvement in recent and enomes improvement in recent and while in many ways there has been an enomous improvement in recent and while in many ways there has been of the population in a couple of months; and while in many ways there has been an enomous improvement in recent and enomes the property of the population in a couple of months; and while in many ways there has been of the population in a couple of months; and while in many ways there has been of the population in a couple of months; and while in many ways there has been on the population in a couple of months; and while in many ways there has been of the population in a couple of months; and while in many ways there has been on the population in a couple of months; and while in many ways there has been on the population of the population in a couple of months; and while in many ways there has been on the population of the population in a couple of months; and while in many ways there has been of the population of the population in a couple of months; and while in many ways there has been the population of the population in a couple of months; and while in many ways the population of the population of the popu
