EGYPT'S FOOD.

THE WHEAT PROBLEM.

INTERMITAT FAUDICAS.

In conjunction with the circular letter sent out by the Supplies Control Board on Sunday to the governors of the different provinces in connection with the supplies of shase transactions at the official prices and by reporting any persons who contravente the tariff regulations. In this manner they would be serving their summer time. The Branch Associations area los been respected to advise all be cereal merchants of their respective rowines to athlere most strictly to the instructions of the Supplies Control Goard and to help the authorities in entransition of the supplies of their contractions of the supplies in entransitions of the Supplies Control Conditional and to help the authorities in entransition of the summer conditions and the summer conditions are successful to the contract of the summer conditions and the summer control of th

"LOCAL FOOD PROBLEMS."

On Wednesday last about 480 ardebs of wheat reached the Atar el Nabi wharf. About one hundred ardebs were sold in cetail to the public and the rest were dis-tributed am ng toe millers and the bakers

Hag Ha Iting massal et Sanasass, a nour mer-mant and baier of Cario, was referred awing sold a large quantity of flour to no of the flour contractor at a price ex-recting the official one. Sheikh Abdel Gawad et E-tambouli, a ercal merchant of Ator el Nabi wharf as also referred to the Old Cairo Police ingred with having sold wheat at a high-price than that heel in the tariff.

ALEXANDRIA BREAD CRISIS.

The bread crisis is still intense at Alexandria, but there was more bread yester-by than on the previous day and the situation may be a little better boding, for the seal Supplier Commission new possesses tew thousand ardebs of grain, and exects to receive more from Gharbieh short-

Grain continues to come in very small unutities from the provinces to the Minet Bassal market. Vesterlay the market everyel only 371 artists, and on the pre-ions day the city received 2.031 ardels, adduling 2.000 ardels for the Supplies omniscion upon which the population of the town now rely.

COTTON SEED OIL CRISIS.

The cotton reed oil is at last coming to and end. The Military Authorities have given a permit to the Kafr el Zayat Col-on Company to ger 90,000 ardebs of col-on seeds for the production of oil, and the Company has alreally received about 15,000 ardebs. Mesrs AboutShanab.will deb be sizes a big oversity of seed. 5.000 ardebs. Messes Abou'shanan was dso be given a big quantity of seed, and n a fortnight's time the new oil crop wil be on sale throughout the country. An ar-leb of seeds produces from 12 to 13 okes o

SALE OF ADULTERATED FLOUR.

The Alexandria Military Court held its verkly atting yesterday morning under the presidency of Judge Clapsott. There was only one case, Meesr, Abdalla and old adulterated thour to a flow merchant at the rate of P.T.264 per suck. Hassan Effendi Reavay, an Egyptian Parquet sub-titute of Alexandria, proceeded. Judg-arent will be given on Friday near

LOCAL FOOD PROBLEMS.

TOCAL FOOD PROBLEMS.

The mamour of the Mousky Police, Care, heard that some butchers were selling the mutton and beef at higher price beside giving less weight. The mamour is said to have delegated Mulazim Awal Mohamed Eff. Shoukry to enquire into the matter. After investigation, four of the butchers were found guilty an area of the control of the

seve order to consecute what they have did which amounted to LE No.
