EGYPTIAN COTTON EXPORT.

GRIEVANCE OF THE SMALLER FIRMS.

FIRMS.

We have received ample proofs of the discontent that exists among the smaller cotton exporting firms on the subject of the provisional allocation that has lately been made by the Cotton Control Consideration of the provisional allocation that has lately been made by the Cotton Control Consideration of the provisional control of the control o

are made to them, was a will be prohibited for the self-same rea from satisfying their clients. Become The effects of the system are When control of the trade was first brought when control of the trade was first brought were obliged to work at greatly red frech the experience of finding that it were obliged to work at greatly red profits, automatically divided into separate parties. On the one hand it of the new state of things and any that either the spinner would nave to the new state of things and any that either the spinner would nave to see the system of thinks the spinner would nave to see the system of thinks the spinner would nave to see the system of thinks the spinner would nave to see that the system of the system of the section of th e spinner v profitable perations. The hindrance to recent f commerce that this regulation I rought about will force all the trade icreases its demands and thus it will be spinner, whose interests were to feguarded, who will have to pay to per ig the end.

subgranted, who will have to pay the piper in the ears sure that the Egyptian Gov-ernment will be surprised to see the dis-come Control Commission has given rise, and that this voxations regulation, that has given birth to all this criticism, will be repealed as one a possible. A fair field and no favouritiem should be repealed as one of the proper support of the con-location of the control of the con-location of the control of the con-trol of t that everybody should be permitted gain their living with as few restriction

ALEXANDRIA LIBRARY.

During August, 567 readers used the European section of the Library and con-sulted 1.064 works in 1.387 volumes. In the Arabie section there were GB readers making totals of 1.665 readers of 1.814 works in 2.909 volumes. The 1.064 tea-ture of the 1.065 teather of 1.065 readers of 1.814 works in 2.909 volumes. The 1.064 teather propean works were in the following lan-guages: — 9.08 Franch, 25 designed, 26 Oceanas; 14 Indian and 5 Greek.

On behalf of the British interned in the Hernese Oberland, Captain Glass presented a message to M. Michel, National Councillor for the people of the Oberland, It states how much appreciated is the friendship and hospitality of the people of Interlaken. "We assure you," continues the message, "that the British Government and people will never your all you have done for our peer prisoners of war."
