ALEXANDRIA'S HEALTH.

THE MUNICIPALITY'S REMISSNESS.

CULPABLE INDIFFERENCE.

For months past the remismess of the Alexandra Municipality in regard to the ableta of the subject of continual criticism and comment. The subject has been taken up by a few public-spirited Municipal Commission, and over and over again the local Press, has covied the complaints of the public, it is significant in this respect that when the control of the Municipal Commission, and over and over again the local Press, has covied the complaints of the public, it is significant in this respect that when the critical in English and the subject to the general conditions of the critical in English and the manner of the control of the control of the Commission of the control of th

We dealt with some aspects of Muni-cipal remissans as regards smitten in our leading article on Monday last and have published some letter, from carros-pondents on this subject. In the "Bourse Experience" of Twoday we find the fol-cibilities of the public:— Nevry before antil now, since the old palace of the Khedire Ismail was changed into the Municipality, have the Alexan-drians been treated with such indifference, such nonchalunce, and such a disregard of the control of the control of the con-trol of the con-tr which the city groans, in of the responsible chief-ation or in their complete d their culpable careles nes-ersthing the
