CABLE DELAYS.

PERMISSION FOR CODES SUGGESTED

In the House of Commons Sir A. Wil-liamson suggested that in view of the rongestion of cables the use of private rodes with India and Oversea possessions should be permitted for commercial pur-poses.

Mr. Churchill replied that the use of rivate codes was not permissible so long it was necessary to maintain the cen-

is it was necessary to measure corship.

Sir A. Williamson then suggested that well-known firms might be permitted the use of private codes to extra-European countries and Mr. Churchill promised to consider the matter.

Reuter.
