THE CIGARETTE OF BISTINCTION

THE WAR ANNIVERSARY.

ATTITUDE OF THE GREEKS

The article from the Greek paper Telegraphon," of which a translation was published by the "Egyptian Gazette" on Tueslay last, on the buyout by the treeks of the Interests on the Atlandar, and the treeks of the Interests on the Atlandar, and the Telegram of Alexandria, and the Atlandar, and the Atlandar, and the Atlandar of the Atla an title this the Attitude of the Greeks," put on this anslation, was the expression of the sapproval of the attitude by the ritish community, and also a commation of the opinion of the "Teleraphoe" that it was a duty for all reeks to attend their churches and voke the help of God for the victory of the Allies.

avoke the help of God for the vactory of the Alliest.

The "Nea" in a arractic mittle, says that the "Telegraphe" shows the zeal of the property of the the third of the property of the theory of the third property of the theory of the third in but Jay participating in the war, which they are doing. Moreover, the light Commissioner expressed the wish that services be held at the British churches, and it would be superfluctured for the Greek to the "Teachydromot" writer in the same tone, as the "Nea," the "Telegraphe" vesterday made no reply to these criticisms.
