THE NEW ZOO.

(By Howard St. Clark). No.1. When dear old Papa Petitjean at Nouzha placed (a goo His object was to educate the mind :
For in studying the habits of the animals 'tis
[true

Instruction with amusement you will find,
And 'tis nice to know that when the monkey's
(hanging by its tail
It's showing what we formerly count do;
But still I'm far from satisfied and think ne
(shouldn't fail

To inaugurate a better kind of zoo.

There ought to be a place for me and you
To study what we shouldn't be and do,
Where, from nine o'clock to four,
We could watch the crank and bore
A-cranking and a-boring in the zoo

For the benefit of little me and you.

would take the scandal-monger who has got it I would take the scatterand and property and a married lady he will name,
Just why a certain couple are so often seen apart
And who it is who really is to blame,
The fellow who will haunt the Great and plague
them all until The renow who the gets an O.B.E.;
I'd also take that super-bore who's always out to kil and tattles to the ladies over tea.

The man who is an anti-this and pro-th And thinks all other people in the wro the awful youth who fondly holds his And always manages to 'give a song'; the amateur tactician, who would like us t He knows beforehand just what Foch will do The fellow who talks golf from sunny morn t And tells you how he did a hole in two.

And tests y-
