TANTA NOTES.

(FROM OUR OWN CORRESPONDENT).

TANTA, Feb. 15. Tanta has been the scene of a serious fire to-day which broke out in the principal street of the town. It spread in a very short time until eight houses were ablazer. The fire bright were called but it was too late to are sufficiently only the street of the town of the street of the configuration is that of a small child.

So far the only death notified as the resu-of the conflagration is that of a small child. We of the frequency of fires and the great damage caused by them, it is sur-prising that a rich city like Tanta which has a Municipal Council has not yet seen its way to investing in another fire engine of the most modern type run by motor in-

l of horse-power.

I of horse-power.

Interior states that 23 houses were destroyed and the damage caused is estimated at about L.E.1,500.
