THE NEW BANK NOTES.

There is no doubt that the average man prefers silver coin to the new bank notes. To all appearances, however, the paper money has come to stay and the sooner we become accustomed to the change the

somey has come to stay and the sooner we become accustomed to the change the better. The difference between silver and paper money is chiefly a matter of preference and of custom. We have been there is pound notes instead with the power of the power of

TYPHUS DECREASING AT ALEXANDRIA.

The typhus cases have greatly decreased in Alexandria and its suburbs during the last few weeks. About six weeks ago there were no fewer than 420 victims at the Chatby Municipal hospital, but now there are only 140 under medical treatment there.

At home a shortage of wire nails exists, and arrangements have been made for the shipment of a considerable quantity from the United States and Ca-nada.
