Administration. The call was upperly and though labouring-gader was time difficulties, they got things, going quickly and smoothly. Some voluntary societies are now astitung, and the enthusiasm of the American Red Cross units, which have centily arrived with an adminish equipment will enable all to carry on a great and beneficent work. Talestine is indeed a brighter and happier, land than it was after morth seg-

THE WAR AND DIVORCE.

EXTIMORDINARY INCREASE IN CASES.

While the ordinary work of the Lordon Court has been much reduced by the war, the business of the Divorce Court has increased by leaps and bounds. The average number of divorce petitions in prevar days was less than 1,000 a year. During the war, the annual number has interesting the state of the petitions being presented by humans. Before the war the majority of the petitioners were wives.

Men in the Army are making an increasing use of the "Yoor Person" 3,353 applications were made under the scheme, of which more than 2,500 related to divorce proceedings. The number would,

them. A certain class of so said, is much impeding the st scheme by practices which is ciety ought sternly to suppress

says as "Monetoner Guardia ved Guardia ved (bif August, received the interesting news that the September freight allotment from the United States is 40,000 tons, including the anquant required. For cutton sold on priority certificates. This is 10,000 tons more than was originally allothed for August and 15,000 tons over the May allotment. It means that over the May allotment at means the over the last center was taken the consumption of American was stated to be 45,000 hales per week.
