#### COMPADES OF THE WAR.

COMRADES OF THE WAR.

A pleasant feature of the "after-thewar" era is the setting up of innumerable regimental and duri." for instance,
are thinking of satabilishing a permanent club of their own. In some cases
it is merely a question of a dising club,
and in others just an annual dinner; but
the saturation of the saturation of

# "FLOATED TO VICTORY ON SEA

Mr. Van H. Maming, director of the United States Bureau of Mines, announced that gasoline production in the United States in 1918 bore out, at least in part, the statement of the British Administration of the British

#### THRILLS IN THE CHANNEL.

There are still thrills in the Channel crossing for our sick men on the passage from hospital train to hospital train. One day recently a heavy-loden boat just missed striking a German mine half-way ment on hoard. Owing to the rough sea the attempt to explode the mine by rifferies was unsuccessful. "Hope that 'ere tunnel's ready next time I go tower," was the remark of one "cot case" at Bover.

A New York telegram states that a mys-terious sleeping sickness has claimed as victims ten soldiers in Camp Lee, causing one death. Other cases are reported

The Paris Municipal Council opened lust month nine food shops, which have been set up in the most populous quarters, with food at low prices. It is hoped by this means to lower the cost of living.
