### GERMAN MERCHANT FLEET.

SCENE AT BRUSSELS.

HOW FOOD IS TO BE PAID FOR

("Gazette's" Special Service.)

BRUSSELS March 14.
Admiral Wemyss has arrived. There will be no discussion at the meeting with the German delegater relative to shipping, at which Admiral Wemyss alone will speak.

at which Admiral Wenny's alone will speak. Loxpoon March 15. Router learns that there will be no formal surrender of German mercantile ships, they will be manned almost entirely by British American and Franci crews. A rough estimate gives the total formage and thread the alark millions. British will the cargo tonunge and France, the remainder, as America is not interested in such tonunge, while Italy possesses the Austrian shipping. An Allide Economic Commission is being established in Hamman and the state of the state

Reuter.

Loynox, March 16.
Reuter is authoritatively informed that although the highest Alliel an aval and military opinion regards as imperative the retroited of the slockade unit conclusions. The Supreme Economic Council is the authority charged with affording relief and the blockade ministers are represented with nevertheless formidable difficulties, exist notably the shipping shortage due to the enemy's policy of indiscriminate piracy. Nevertheless the Allies are annious project of Austrian and Germany thereof the project of the project of the project of the project of Austrian and Germany herself. Another difficulty of great magnitude is project of Austrian and Germany herself. Another difficulty of great magnitude is the question of finance, Other difficulties are my countries.
