THE WAR DRESS.

FOUR YARDS OF MATERIAL.

With the promoters of the War Keemony Dress Enhibition hat month in
London, have succeeded in arousing wide
interest in their venture, its opinion is
expressed, says a London convergenced in
expressed, says a London convergenced in
the particule point of ivew, but is toe consciondy "sensible" to have for future
generations the charm of spontaneity.

It is maining no fastenings, illustrates
effectively a saving of time, trouble, and
possibly temper, as well as of money. It
is capable of a number of any possible temper, is
capable of a number of mapper in need
not fear the loss of opportunity to express
individuality.

An interesting side show is the display,
fablions, with all their extravagances and
abundities. All these contumes, including shawls, spelerine, parasols, and jeptlety, are original to the silvey and thus
broads bull dress, over a quitke petitionto the state of the part of the promonand deves of 180 cm.

"Why," ask the promoters of the pahibition, "has there never been a signiard of taste in dress." Why
ye strange diversity in deflected places and
periods.

Dr. CASSIMATIS
