The anditors, Messrs, Price, Water-nue & Co., retire, but being eligible, fer themselves for re-election.

MAMOUR ACCUSED OF BRIBERY

An Inspector of the Ministry of the In-terior is now investigating the case of the Mamour of Aga Markaz in Dakahlieh Province who was charged with having taken bribes from eighteen of the iulabi-tants of the place. The Mamour has been suspended from duty. Several of the inha-bitants have given evidence against him.

EGYPT'S HEALTH.

BENEFITS UNDER MARTIAL LAW.

The report of the Commission on Public Health now sitting will, we understand, deal schauntively with every side stand, the schauntively with every side that will then present itself will be: How far will the authorities go in carrying out the recommendations of the members who, judging from the names composing the Commission, will be uponly and radical in their summing a proper summing and the summing the commission will be uponly and radical in their summing the commission of the commission

Egypt has undoubtedly benefited from the sanitary point of view from the presence of a large army in the country. As everyone is aware, the sanitation of resultants and hotels in Alexandria is a considerable of the country and the country has undoubtedly been spared any great scourge in the way of evidence, since the war began. For the country has undoubtedly been spared any great scourge in the way of evidence, since the war began. For the country has undoubtedly been spared any great scourge in the way of evidence, since the war began in view of the splendid camp sanitary system in vogue. In past years the leibargy and indiference which have so branded many sections of the country beautiful to the splendid camp sanitary system in vogue. In past years the leibargy and indiference which have so branded many sections and the special country possessing these states of things to exist within its borlest that is prevalent in Egypt, and yet the fifteen Capitulatory Powers have combined to keep this country in a state of things to exist within its borlest that is prevalent in Egypt, and yet the fifteen Capitulatory Powers have combined to keep this country in a state approaching legal thraidom to the approaching lega

co-ordination under a Ministry of Health imperative.

No one knows when the Capitulations will be done away with, but when the will being of a whole nation uniform the control of the con

RAMADAN IN PALESTINE.

It is reported from Palestante that special arrangements have been made during Ramadan. Cafés have been closed during the day and opened as inght. All Moslems have been advised to fast. The sale of spirits has been prohibited during the weeks of fasting. About five tons of summer days distributed that the weeks of fasting. About five tons of summer days distributed that the sale of the s s has been prohibited during the fasting. About five tons of sugar ributed among the inhabitants of Lud and the neighbouring dis-low prices

The Ministry of Finance has requested Government offices to employ Government notes of the value of P.T.10 and to send in all P.T.10 and P.T.20 silver coins and to be very sparing in their use of P.T.6 coins.

EIGHT HOURS' DAY FOR POLICE OFFICERS.

It has been decided to reduce the working hours of officers in all the Cairo Kissas to 8 hours per day instead of 18 hours.

ALEXANDRIA'S REFUGEES

CAMP'S GOOD ADMINISTRATION.

great improvement in cleanliness and bygreinic habits since the refugees first
came.

It is refugees are annious to get
an experiment of the control of the control

It is refugee are annious to get
an to that country from all parts of
the world. Of the children we read:—
The schools, which were started by
the Anglo-Jewish Association, provide
instruction for resulty 600 boys and girls,
the Evelina de Rothechild school in Jerusalem, both Hebrew and English are
used, but Hebrew remaint the patural
language of the children. Apart from
refugees. The children are evidently
very happy at their work and their play.
To the visitor they are the brightest part
of the picture, because they direct only
throughts, not to an unbuppy part, but
the camps as a whole one is torn by conflicting emotions—pity for the tragety
of the refugee's life, and thankfulness
that these outcast members of an onteast

ALEXANDRIA'S REFUGEES.

CAMP'S GOOP ADMINISTRATION.

Mr. Leon Simon contributes to the "Gonist Revises" an interesting account of the "Visevisk Refugee Camps at Alexandria." There are now two of these camps, says the writer—Shoring and the second of the camps and the conditions of a shound or warehouse hard approximately 1,500, and are about equally divided between the two camps. These are all that remain of somisting to the conditions of t

"bilds" worry—which they certainly don't.

"OMFORIABLE MY SIX LINGTHS!"

I stild you that it would not take greaten to bear Kafour sym at his best and enty distance, four, furlossy, and when most saw the very handsone Sabbat best and enty distances Sabbat best and enty distances Sabbat best and enty distances for the sabout her chance and had the pleasure of secing her win "comfortably by six lengths." She widently made up her mind not to disapper win "comfortably by six lengths." She widently made up her mind not to disapper win "comfortable by six lengths." She widently made up her mind not to disapper with the sabbat her with the six did her distinguished stable companion Gladiater. I was publicly presented with a know what you may get by mentioning times you need. Look at Morume, in the past!

And the second s

GRAYLING.

GRATING.

I'm very pleased about Grayling. Not just more for the reason that I felt certain that he because I went for him "uncoupled," but because I went for him "uncoupled," but would alsew up better with his former apprents. Moreover, the shorter distance would saith him better, and he justified the confidence although Mr. Mahaelades who rode him was opposed by Belifhouse on K.I. and Digby on Preggs, which all goes to prove that however although Mr. Mahaelades when the horse. "Eighty-siz" in a field of five wan a good price. Sambo was left, but I doubt whether have would have had a change with the wilms.

ASFOUR A GOOD FAVOURITE.

ASFOUR A GOOD FAYOURLITE.
When a horse pays less than two to one
in a field of twelve, and at that is not ridcles by a Beltoness or Digby, it looks as if a
Tet I do not see how he could well have given
note, weight to Asfour on any form previously
to Walls, and I do not know whether to congratulate "Gastel" followers on the win of
Asfour or eympathies with those who backed
Huffar, seen with Digby up, yould have paid
about twelve to one. Another opportunity of
"shorting" look to me!
