SERIOUS CHARGES BY COUNCILLORS.

CORRUPTION IN THE SANITARY SERVICES.

A most unpleasant squarton has been caused by the serious charges brought against the sanitary services of the After-daria, Municipality in the debate, on four, commission. In the speeches made to that cocasion by Arrande BPy and Majtre Lian accusations of the most grave control of the services of the services of the services of the most grave character were brought negatin the self-shareder were brought negatin to the Manicipality and not a word was said in contradiction by Dr. Granville. On the contrary, we read in the report of the distriction of the self-shield than that which was published in the "Egyptian Gasette-that when Mattre Lain declared that which was published trailed among the inspectors, who had been accurable defence for his middeeds than to bring forward fallactions arguments and to allege that his chief was well acquaint-layer that the scholers were self-shield than the self-shield than th time, but Dr. Valensin Pasha, who has for years exercised great influence in the Multicality's samitary services, appears to have chought that something ought to Cramission could be appointed tohold as only and find out the guilty parties, but that for the moment all that was necessary was for the Municipal Commission to whe in favour of Dr. Granville's reply to the changes against the Municipality's countries in the property of the commission of the commission of the commission and continuously voted in favour of Dr. Granville's report the doubt in the commission and once unanimously voted in favour of Dr. Granville's report.
