MIRAGES AT SEA.

MIRAGES AT SEA.

Stories of navigators often tell of vessels having appeared in the air when they
were still beyond the horizon, and sometimes it appears that the mirage is of such
clearness that it is possible to say what
ship they represent. I have recollections,
myself of seeing cruisers the he's Ageont
the air, but iniferiousidly I have no re-

Mineral Waters are unsurpassed. 50 Testimonials from Officers of the British Army of Occupation and 50 from Officers of the Forces stationed in Egypt since the outbreak of the present war, testify to their superiority above all other Minerals Imported or Local, No other manufacturer of Mineral Waters in Egypt possesses as many similar Testimonials

cord of whether they later came into sight, in the ordinary way or of their real position at all. Being much occupied with other things, the only memory I have kept is a clear one of how the ships seems war a remarkable mirage was seen at sea. If May 1854, from the deck of H.M.S. Archer—then cruising off Oesel in file lilation—the whole English feer of 1D sulf. In May 1854, from the deck of H.M.S. Archer—then cruising off Oesel in file lilation—the whole English feer of 1D sulf. suspended in the sir upside down. A picture of this appeared in the Illustrated London News at the time. It may be that many of the apparations of forests, castley, and armed men, and the mathematical the simple folk, were but inirges!

The mirages of the mind, which play a great part in the careers of speculators and the ambitten not within the scope of this article or the ability of the present writer.
