ANGLICAN CLERICS GARB.

And the Angliean clergymen are syring that they could work more effectively to so in multi. May Meetings in the years before the war, in fact, did reveal an equational revolt. On fine days on save phrons in white straw hats instead of variety, and there were occasional pepperand-with varieties of costume. There are clerglymen who divest themselves of any certain appearance when in evening many examples of multi-coloured blazers. Some clerges think that the Homan collar supplies all that is needed in the way of the control of the collection of the
