The market was a little weaker yester they. Unified dropped 3/8 £ to £90.3/4 while Privileged closed in demand at 478.1/2. There was no change in Agricultural Charles of the Control of Tht market was a littlt weaker yester

EGYPTIAN SHARES. ANTICIPATION IN LONDON.

The "Evening Standard" remarks:—
It is curious that the Turkish collapse
has not yet led to a revival in the Egyptian section, of which it should have an
immediate bearing. Egyp has had four
of the high prices received for its agricultral products, and this prosperity having
gone to the broad mass of the people, as
ments after the successful conclusion of
the war. These developments should be
all in favour of the contra, which the
price loggy will become the centre of a
staff to the contract of the contract of the
contract of the contract of the contract
of the war. These developments should be
deepen of the contract of the contract
