It is disposal to the country and the huge forces and huge to the force of the forces of the force of the fo

EAST OF RHEIMS.

(11.50 p.m.) This evening's news from France indicates that the German retreat, which can in no way be described as a rout, will however be bigger than have gained everything for an average distance of four miles on a front of twenty miles between the Ourcq and the Ardre. Ferè en Tardenois is now a position in the German outpost line. Allied Chambrey despite the enemy long ranges artillery and machine gun fire. The enemy is strongly reacting but unsuccessfully against Mont Sans Nom, where the Allies have taken 1500 prisoners. American troops assisted by French tanks are doing well in the Ardre French tanks are doing the french tanks are doing the french tanks are the successful to the Ardre French tanks are doing well in the Ardre French tanks are doing the french tanks are doing the french tanks are doing to the french tanks are doing the french tanks are doing to the french tanks and the french tanks are doing to the french tanks are doing to the french tanks.

AFLIES' TRIPLE PRESSURE.

LONDON, July 28.

(9.30 p.m.) Reuter's special correspondent at French headquarters, telegraphing to-day at 2.30 p.m. says: "This morning we reached the line of the Ourgalong the whole course of the river.

CIGARS SPECIALITY DUTCH STORES, 5, Sharia Maghraby, Cairo.

Yesterday morning its head waters were deep in the German lines. The enemy is making an obstinate stand on his fanks, chiefly on the left of our advance, where he is endeavouring to hold the north bank of the Ourcu against our pressurs ced by General Mangin's army along the Spissons-Chateau Thierry road, north of the Ourcu, Duder triple—pressure from west, south and east the German of their lines are quickly as ic compatible with safety and holding desperately to their finals in order to give the centre time to escape." Rester. FRENCH PRESS OPINION.

FRENCH PRESS OPINION.

Parts, July 28.

The "Echo de Paris" states that there is no doubt that the Germans will not cling to Fere and that they will continue their retirement farther sorts. The halmes sheet of the tars, includes the reportant forests. It is believed that the properties of the first state of the state of the tars. The "Petit Journal" dwells on the fact that we are hard on the breist of the enemy thus, making his certoel subles on the fact that we are hard on the breist of the enemy thus, making his certoel that men timed the state of the enemy than the state of the enemy than the state of the state

AN AMERICAN SUMMARY.

Washikorox, July 28.
General March, in his weekly state-men, announces that trained American combatant treops from France have begun to arrive in Ruly. Summing up the Marne position he says that the most striking advance since Thursday has been that of the British west of Rheims, which that of the British west of Rheims, which is specially dangerous to enemy forces in the south. Mr Baker told the Senate committee that there were now 1 11/4 million American troops in France and he expected that 300,000 men would be transported in July.
