TOURIST TRAFFIC?

The New York steamship agents declare that Transalantle passenger traffic will be resumed by the early summer, but that varies the same transaction of the same time about all the tonnages. There is no immediate prospect of the removal of Government centred of shipping. Agencies declare further that some tourist traffic may be possible in a few months, agencies where you was the possible in a few months, assume pre-way proportions.

The Norwegian "Tidens Tega" urges that the Norwegian merchant fleet has earned the right to rank as a belligerent on the Entente side and to share the fruits of victory.
