### THE DULCITONE

has all the advantages of a piano, but it never gets out of tune. It has an agreeable sound and touch, is very hight and portable, and its cost is one third of that of a piano. It is the greatest invention in the world of music—and British make.

As regards the dissolution of the Cereal
Merchants Syndicates, Mr. Ross Taylor
has reat out a circular letter to all those
who have sent in their subscriptions to
the Syndicate, asking their views as to
whether they consider that the syndicate whether they consider that the syndicate should continue or not. In any case it is not considered likely that the official supervision or control will continue whether the majority of the members de-cide to keep it or not.

### THE PRICE OF RICE.

line is still growing dearer. On Saturday last the price rose to P.T.180 per such but it subsequently decreased to P.T. 170, A few days before the price was P.T.150 the sack.

### EGYPTIAN WAGES PROBLEM.

To the Entron, "Energian Gazette."

Sig.—The problem of wages among workness
recently be a threatened atriac manning the enployers of the Catro Transay Company. The
two threatened threatened atriac manning the enployers of the Catro Transay Company. The
show ere bending the novement and to have sent
their names to the Catro police in consequence.
The sent demand a relation of working hourfrom ten to cight and an increase in wages as
yournout for the Company's uniform. This
also demand that verbal reprod be administered,
which was not to the company of the company of the
radies. It is reported that the Hillopolis Comages; in the case of minor offences against the
radies. It is reported that the Hillopolis Comas a boars and the Cairo Transay employees
upper their masters to do liberius.

worse in quality.

AUSTRALIAN FIOUR ARRIVALS.

"Wady el-Nil." — In a former issue we feferred to the Australian flour imported to
Egypt in board an English atesmer stating
that the shipment was \$2,000 sacks; and now
we learn that the real quantity is not lose
than \$0,000 sacks, weighing of kine each. The
proceedative of this errice in Alexandria here. sman conce secce, wegging of mice each. The filter is forwarded to the S.C.B, and the representative of this service in Aerandria has presentative of the service in Aerandria has Cairo as to how the flori's to be distributed and at what rate it should be sold. It is expected that another consignment of flour will arrive here in several days' time, and that the S.C.B. may take etpen to persuade the bakeen to modify the attitude they have adopted in their transactions with the public.
