THE BREAD QUESTION.

A Cairo correspondent writes:

In his last letter published by us on Tussiday, our Palestine correspondent mentioned that the price of broad at Jerus Tussiday, our Palestine correspondent mentioned that the price of broad at Jerus and the price of the

CARO FLOOR DISTRIBUTION.

Some Cairo flour merchants petitioned to the authorities that though they possessed Governorate permits their proper supply of wheat and flour is never given them. Irregularities are said to accur owning to flour being distributed among those who have no right to it.

TARIFF CONTRAVENTIONS.

who have no right to it.

TARIFF CONTRAVENTIONS.

The Cairo Militery Tribunal for trial of foot profilers met on Fridsy under the previdency of Judge Kershaw at the Native Court of Appeal and heard the Surplise Coatrol Beard:

(1) The case of a well known native butcher of Cairo called Mahmond Mohamed Fass, accused of a millimers per roll above the efficient of the militers per roll above the efficient prices. Accused admirted the change but contended that he did not sell meat at the fariff price as he did not relieve to the contended of the millimers per roll above the efficient prices. Accused admirted the change but contended that he did not sell meat at the fariff price as he did not relieve to the contended of the millimers with the evidence of the witness with the evidence of the witness of the proposed price of the proposed price. Le25 failing the payment of which he would be imprisoned for four mouths. The world witness sentenced the accused to a fine of Le25 failing the payment of which he would be imprisoned for four mouths. The world meat with or without lose he should comply with the tariff price.

(2) The case of a cereal mouthst of a selling wheat above the officient of the contended that he was a middleman only and sold for the account of a long when above the officient of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the contended that he was a middleman only and sold for the account of a long of the long
